INVITATION

TOOLPOINT CTO Innovation Circle

Kick-Off Meeting

Tuesday, 1. September 2020 - ZURICH

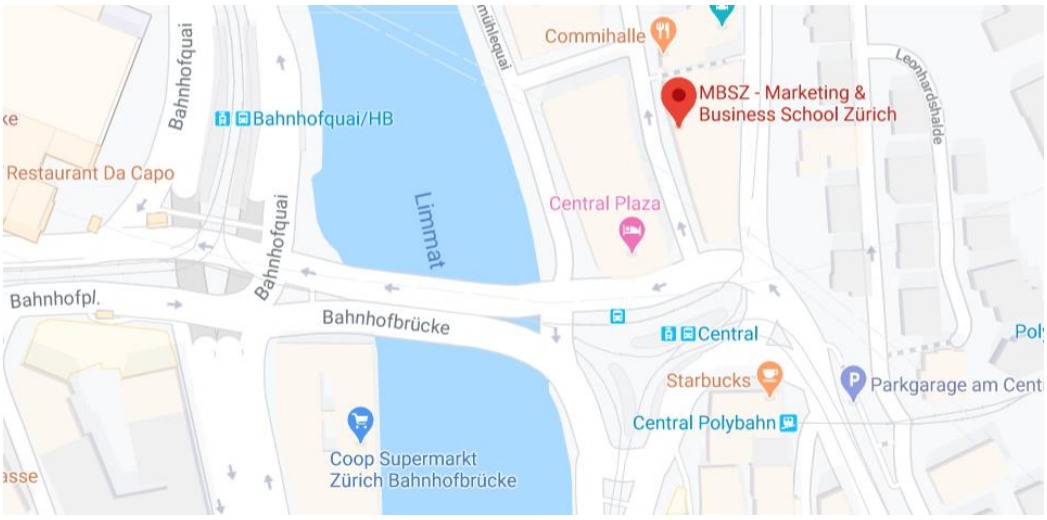
Dear CTOs,

Major trends of the Healthcare industry such as personalized medicine, bio-fabrication, digital health and point-of-care are transforming the way laboratories are operating. The increasing complexity, the increasing regulatory pressure worldwide and the multi-disciplinary nature of innovation is a challenge but also a chance for the industry. Collaboration across different actors become a pre-requisite to generate new products and services and to keep the pace with competition.

TOOLPOINT kicks off a new program to promote innovation among its members. With the aim to gather all key decision-makers, the CTO Innovation Circle is a platform to get informed on new technology trends and exchange among peers to facilitate the initiation of collaboration across its members.

The CTO Innovation Circle Kick-Off will take place on Tuesday, 1. September 2020 from 13:30 until 16:30 at the

MBSZ Marketing & Business School Zürich
Stampfenbachstrasse 6
8001 Zürich (near the Zürich Main Station)



Partner:

Agenda

13:30 Introduction to the new CTO Innovation Circle

13:45 Keynote presentation
How to meet application requirements with new and existing technologies
Konstantin Lutze, CTO HSE AG

14:15 Innovation pitches of TOOLPOINT research partners – Part 1

- **From sample to data handling – a tour of new applications and their impact on the lab**
  Vincent Revol, Head Research and Business Development, Life Science Technologies, CSEM
