

Dear Guest,

We are delighted to welcome you to our 20-year anniversary of Toolpoint!

But it isn't the only anniversary we would like to celebrate: there is also the 10-year anniversary of Lab Sciences Award. The Address of Welcome will be held by **Beat Walti, National Council and President of the Veronika & Hugo Bohny Foundation**. And for the first time, Toolpoint honours the professor(s) to the **Lab Science Board of Experts**.

We also have a look at SiLA, which was a Toolpoint Project in the beginning, presented by **Tom Kissling, pRED Lab Automation partner @ F. Hoffmann-La Roche AG** and listen to **Sandra Kugelmeier, CEO of Start Up Kugelmeiers Ltd.**, both members of Toolpoint.

Do not miss it: we are very happy to announce two icons, **Michael Krogerus & Roman Tschäppeler**, for a keynote in "Teamwork". If you ever have seen these both, you know how impressive they are. From PINC Conference to Swiss Economic Forum – they have been a part of it.

And finally: while you're enjoying the Apéro riche, you can visit the Exhibition (In- or Outdoor, it depends on the weather), have interesting talks, and celebrate Toolpoint.

Date **Wednesday, 21. June 2023**

Venue **Technorama, Technoramastrasse 1, 8404 Winterthur**
